

HOME FOR THE HOLIDAYS

Home For The Holidays has been a long-time tradition in Grundy County. This hometown festival is an event that allows one to take time with friends and family to kick off the holiday season with good cheer. Although this year's event will look a little different, we are looking forward to bringing an array of activities that will delight children and adults alike.

In addition to hosting holiday events in downtown Morris, The Home For The Holidays Committee supplies the beautiful lighting along our downtown streets and many of the decorations in our downtown parks. These decorations serve as a great first impression for thousands of people who visit the community during the holiday season.

Home For The Holidays activities and downtown lighting would not be possible without the support of our community. Last year's generous donations helped with the costs of lighting and decorations, parade materials, carriage rides, Santa and his reindeer and much more. We need your help in order to continue making the holiday season in Morris the brightest and best in the area!

Can we count on your support?

Please complete this donation form and return it to:

Home For The Holidays
105 E. Main Street, Suite 302, Morris, IL 60450
